Guest Speakers:

Dr. Moira McQueen, LLB, MDiv, PHD-Toronto

Senior Fellow at Cardus, former Director of the Canadian Catholic Bioethics Institute.

Dr. McQueen will inform us on the use of AI in the field of medicine.

Mr. Giancarlo Brotto

Globally recognized education advisor, founder of Pave Edu.

Currently, serving on global bodies such as the Brookings Institute's Task Force on AI in Education and the Oxford AI in Education Hub.

He will inform us on the responsible and impactful adoption of AI in education.
