**SPEAKER:**  
**REV. KEVIN  
BELGRAVE**

From the economy to politics to individual hearts, our time is marked by a palpable sense of unease, casting a shadow of confusion and discouragement that at times seems impossible to escape. This talk will help us understand the origins and roots of the many symptoms of fear, anxiousness, and polarization that characterize our fractured time. As we shine the light of the Gospel on these symptoms, we can better recognize their sources and thus better respond with hearts and actions full of hope.
