

Campaign Progress

July 21, 2015, Vol. 3, No. 8

Wave 3 parishes have raised **\$9.3 million** in donations and pledges, **40%** of their collective goal. Combined Campaigns have now raised **\$10.63 million** and achieved **106%** of their collective goal. Overall, the campaign has raised gifts and pledges totalling **\$104.9 million**. The preparation for Wave 4 parishes is currently underway. Please see the message below for some timely reminders.

Wave 3 Tips

The Family of Faith campaign helps to strengthen the fabric of our community by demonstrating our faith in action. It is an initiative that will help pave the way for programs and initiatives that will transform parishes and the archdiocese. In the campaign we are asking parishioners to provide a sacrificial gift that is above and beyond their current support for the church. It is a prayerful exercise and we need to reinforce this whenever we share information about the campaign with parishioners.

The message of stewardship is woven throughout campaign materials. It is reflected in the Family of Faith prayer and found in the campaign plan (case statement). Pastors are encouraged to incorporate the Family of Faith prayer as part of their Sunday liturgies. The weekly readings also provide good opportunities to celebrate the joys of Christian stewardship in homilies. The campaign's publicity manual (provided to all pastors and campaign chairs and secretaries) contains weekly bulletin inserts and pulpit announcements.

Pastors and campaign volunteers are also reminded of the importance of timely follow-up within 7 to 10 days after a gift request. Prospective donors need some time to reflect on their gift but waiting too long for follow-up does not communicate the importance of the request.
