

Request for Refugee Profile at ORAT

Thank you for your interest in the Civic Refugee Resettlement (private sponsorship) Program.

Please fill in the following questionnaire to enable ORAT – Office for Refugees, Archdiocese of Toronto to provide you refugee families/ individuals from the database that might - more or less- closely match your expectations.

The more precisely you narrow down your search, the less chance you have to find exactly what you want. For example if you are looking for fast processing then the best is to leave most other options open and consult with ORAT about upcoming arrivals. So leave blank the unimportant areas.

After the questions regarding to the refugee profile, please answer on questions that shows ORAT your preparedness for the resettlement/ mentoring (sponsorship). Please don't be discouraged to discover that there are still a lot to do and learn – ORAT will help you to overcome the difficulties.

ORAT includes in its data base preselected, screened refugees who need resettlement and have no other option. Only you.

Please fill this form and send to: lmoro@archtoronto.org
