Instructions on Entering Headcount Numbers

If you have more than one parish and/or mission, do not enter all the Masses in one single survey. Please **complete a separate survey for each of your parish(es) and mission(s).**

Using the information collected on the Data Summary Form, input the day, time, language, headcount numbers for each of the **weekend Masses** at your parish (or Mission) **starting from the Vigil Mass on Saturday evening.** Include a note or comment about the Mass as necessary (leave it blank if it is a regular Mass celebrated every Saturday evening or Sunday). You can input up to a total of **ten Masses.**

Do not include the Saturday morning Masses or any weekday Masses at the Parish.

There is a separate section regarding other regularly scheduled weekend Masses for Religious Institutions, Lay Movements or Ethnic Groups. You can input up to a total of **two Other Masses.**

The last section is regarding the number of parishioners receiving Holy Communion **outside of the context of a parish Mass** during the each of the two weeks of October 9-15 and October 16-22 (e.g., the sick in home visits, hospitals, retirement homes, or other healthcare facilities.) Do not enter the total Mass Attendance here.

If a particular Mass is celebrated only for one weekend (e.g., 1st Saturday Vigil, 3rd Sunday, etc.), it is important that you **enter the same number in both the first and second weeks** as the **average** attendance is calculated based on the numbers of the two weeks.
