From the drop-down list, please select "Sponsorship Agreement Holder".

Important Notes:

- Use the exact spelling of the cosponsor and refugee's name, as provided on their passport (if available).
- For instructions on downloading IRCC forms please click <u>here</u>, and then view the "How to download Immigration forms" tutorial.
- Save all your completed Immigration Forms and scanned documents on a USB flash drive and email them to yourself and your cosponsor/CG for safekeeping, and for preparing the refugee(s) for the interview with the Visa Office.
- Our Case Processing team will be reviewing your application and requesting revisions to your forms. As such, it is important that you always save a copy of the fillable/editable forms that you worked on. If you happen to delete your working document and more revisions are required, you will need to fill out the forms again.
- Every child that is age 22 or older must have a separate file as a Principal Applicant.
- Please read the <u>principal applicant's instruction guide (IMM6000)</u> and <u>the sponsor's instruction guide</u> (IMM5413). You may consult IRCC's website at: <u>www.cic.gc.ca</u> or the RSTP website at: <u>www.rstp.ca</u> (416.290.1700).
- Ensure that forms are completed electronically (typed). Handwritten forms will not be accepted.

- To assist you with completing the required documents, we have included a link to a video tutorial for each of the key documents. Simply click on the link entitled "Tutorial" beside each form
- Ensure all family members (i.e., spouse, dependent children) are included in the application regardless of their current country of residence.

Note: Full disclosure and honesty are required. If full disclosure is not provided at the time of submission of the application to ORAT, your case will be closed.

- Submit the completed and signed application to ORAT by email at <u>oratcases@archtoronto.org.</u> Please try to send the complete application in one email. If this is not possible because of the size of the file, kindly send the documents in separate emails (a maximum of 2-3 emails). In the subject line of each email, please include the name of the PA and the number of emails that will be sent (e.g., 1 of 3, 2 of 3, 3 of 3).
- After reviewing your application, a Case Processing Assistant from ORAT will contact you, and explain how to submit the filing fee and the cheque for the full settlement funds, which is required in advance of finalizing your application forms. If for whatever reason your application forms are not corrected by the given deadline or your case is not approved for submission to Immigration Canada, funds will be returned to you.
- The <u>Sponsorship Cost Calculator</u> is for your use to help you calculate the financial liability for your sponsored case(s). It is your choice to complete it and send it with the rest of the forms below or retain it for your reference.
