Monitoring of Newcomers

- IRCC monitors refugees to ensure that sponsors are fulfilling their financial and non-financial responsibilities, including registration with a settlement agency (e.g., Catholic Cross-Cultural Services (CCS), YMCA, etc.), and access to settlement services provided by the agency.
- As part of monitoring efforts, IRCC pro-actively interviews newcomers. The monitoring process is being done through email surveys and telephone calls (with translators).
- SAHs, CGs and cosponsors are not notified by IRCC unless a support gap has been identified.
- All parties should take increased care to ensure that IRCC's rules are being followed.
- Principal Applicants have the right to either accept or decline the interview.
- All settlement support is to be well documented. Avoid cash disbursements.
