# Two Ways to Approach Personalizing

## **Approach One: Personalize the Pathway for People**

- ✦ Develop pathways of faith maturing
- ✦ Develop playlists of content and experiences tailored to the pathways
- ✦ Upload playlists to a digital platform

## **Approach Two: Personalize the Offerings**

- ✦ Offer a variety of content, experiences, and activities tailored to different spiritual-religious identities and the life stage needs of people

*Getting Started ---- Growing ---- Going Deeper*

- ✦ Format the content tailored to different spiritual-religious identities
- ✦ Develop a digital platform with content to address the needs

# Pathways of Faith Growth

# A Pathways Model

- **A Pathway is a process** for helping people discern where they are in their faith journey and to chart a path for faith growth—to get from where they are to a closer relationship with Jesus and a deeper practice of the Christian faith.
- **A Pathway is life-centered**, reaching into every area of a person's life.
- **A Pathway is holistic** incorporating the whole person: head, heart, and hands.
- **A Pathway focuses on faith maturing.**

■ No one can concentrate on too many things at once. Look first at the individual questions, and then turn to the inside of this folder to consider next steps. Seek to find one or more areas in which you can grow in your relationship with God. Use the following scale as a general guide to the three levels:

0-2 Level 1      3-4 Level 2      5 Level 3

## Knowing God

We can never fully understand God (if we could, we wouldn't have much of a God!). But the mysteries and questions are not obstacles to growth – they are an invitation to continually journey deeper in our understanding of God and the Kingdom to which he invites us. As we increase our understanding of the God we worship and serve, which is what the word "theology" means, we increase our capacity to live the life God designed us to live. Calendar items and volunteer opportunities marked with the knowing designation will lead you to a deeper understanding of the mysteries of the kingdom.

## Loving God

What we think and what we do are expressions of who we are. Trying hard to change ourselves is a losing proposition – but when we're traveling with God and letting God work in our lives, we find that transformation becomes a beautiful reality! When you see a calendar item or volunteer opportunity marked with the loving designation, it means that participation will draw you into a deeper level of love for God and neighbor.

## Serving God

The Christian life is about more than correct thoughts and a loving attitude, it's about living our calling to be salt and light in the world. This means doing the work of the kingdom. Calendar items and volunteer opportunities marked with the serving designation will help you get your hands dirty for the kingdom. These include mission opportunities, volunteering and much more.

Fourth Sunday of Easter

How do you listen to the Good Shepherd's voice? Prayer is the spiritual practice that allows us to listen with the heart. In the busy sounds of everyday life, in difficult times, essential listening requires silence.

Timothy R. Smith's poignant song, Give Me Ears to Listen, provides a moment for reflection.

## Reawaken Retreat REAWAKEN RETREAT

Our Confirmation preparation program has two components: Once a month in-person classes and an online study. The online study is a place for students to develop their faith weekly by completing multi-media lessons which include videos, reading, Saint reflections, multiple-choice questions and online small group discussions. Each small group has their own online space to discuss faith topics, ask questions, and pray for one another. By having both in person classes and an online study we hope to help families learn more about their faith while respecting the many demands for their time.

## PRAYER

The Catechism is broken into four sections. It starts with the Creed, which is the backbone, the skeleton of the deposit of faith. Then we have the Sacraments, the nervous system, the way that we experience God. Add to that Morality, the muscles we need to be strong enough to live a holy life. But it all comes together in Prayer, the life blood we need to have a relationship with God.

Put them all together, and we have a living person- Jesus Christ, the image of the invisible God and the goal of all catechesis. The more we know about Him, the more we're able to love Him and be like Him.

WHAT'S NEW

The Slate Project

We are a movement  
to change the church from inside the inside out.

We are committed  
to following the way of Jesus together,  
into our local and digital neighborhoods  
and discerning in community  
how to be the church in the 21st century.

Starting at 6pm, everyone is invited to participate in transforming our "borrowed space (graciously offered to us by the **Episcopal Cathedral** of the Incarnation and Diocese of Maryland) into an intimate dinner setting for thirty or so people.

### #SlateSpeak

One way to connect with this new kind of Christian community happens Thursday nights, 8pm EST, over on Twitter. Follow #SlateSpeak. Join the conversation.

### DISCUSSING CREATIVITY AT GOD ON TAP TOMORROW NIGHT!

*Join us for God on Tap tomorrow night, July 26th at 7:30pm at Forest & Main Brewing Company in Ambler. Our topic: creativity.*

When the universe seems to be sending you signals, its best to pay attention.

Lately, I've been hearing a lot about creativity—how it works, what fuels it, what inspires it, and what prevents it.

From a podcast reminding its listeners of the importance of boredom for creativity, to

reading authors like Stephen King and Anne Lamott describe their writing process, to Elizabeth Gilbert's TED talk about your elusive creative genius, to a conversation just this past week with my friend like Jim Kast-Keat about how he creates great projects like his *Thirty Seconds or Less* videos. (He describes his creative process as something akin to throwing spaghetti against a wall and seeing what happens.)

Creativity. Its a common thing. We create all kinds of art, theatre, music, school lesson plans, woodworking, gardens, beer, designing, writing, business plans, you name it. We may not have created ourselves, and yet we do create and craft and shape our lives as we tend to our relationships, work, and callings.

## Welcome to Advent

## Advent Activities

**Advent Wreath:** Traditionally, Advent wreaths are constructed of a circle of evergreen branches into which four candles are inserted, representing the four weeks of Advent. Ideally, three candles are purple and one is rose, but white candles can also be used. The purple candles in particular symbolize the prayer, penance, and preparatory sacrifices and goods works undertaken at this time. The rose candle is lit on the third Sunday, Gaudete Sunday, when the priest also wears rose vestments at Mass: Gaudete Sunday is the Sunday of rejoicing, because the faithful have arrived at the midpoint of Advent, when their preparation is now half over and they are close to Christmas. The progressive lighting of the candles symbolizes the expectation and hope surrounding our Lord's first coming into the world and the anticipation of his second coming to judge the living and the dead. [Go to Blessing of Advent Wreath.](#)

**Advent Candles:** Decorate a set of Advent candles for your family to use during this season of hope, peace, love, and joy. [Go to Vibrant Faith at Home.](#)

**Alternative Advent:** Kids create an alternative advent calendar to benefit a charitable organization in their town. Instead of just opening boxes on an Advent calendar or moving Santa from one slot to the next, use Advent as a time to collect donations or goods for a local charitable organization. [Go to Vibrant Faith at Home.](#)

**Jesse Tree:** The Jesse Tree helps us connect the custom of decorating Christmas trees to the events leading to Jesus' birth. The Jesse Tree is named from Isaiah 11:1: "A shoot shall come out of the stock of Jesse, and a branch shall grow out of his roots." Jesse was the father of King David. We adorn a Jesse Tree with illustrated ornaments that represent the people, prophecies, and events leading up to the birth of Jesus. The ornaments of the Jesse Tree tell the story of God in the Old Testament, connecting the Advent season with the faithfulness of God across four thousand years of history. **Sacred Advent Daily Reflections:** Embrace the Advent season as a sacred space from the ease of your e-mail inbox. *Sacred Advent* is a daily e-mail prayer break during a busy season. Each day invites you to a step-by-step progression of praying with a Scripture reading and related points of reflection. The messages also include suggestions for further exploration of Advent themes through additional online articles and prayers. [To to Sacred Advent.](#)

## Teens and Digital Media: Our First Facebook Live Event!

Join us for our first Facebook Live event from the comfort of home or while you're out and about on your smartphone as Pastor Keith is joined by Bethany Stolle, who will present on what parents need to know about teens and digital media. Tune into the [UDLC Facebook page](#) at 8pm Eastern Time on November 6th to watch and share your ideas and questions. This is open to everyone. Please forward this email or share our [Facebook event](#) with a friend! - Keith

## Program Description

The mall. Public parks. Friends' houses. The lunch room. The physical spaces that were central to socialization, extracurricular learning, and identity formation for many of us have increasingly shifted to digital spaces. And there are implications for parents, teachers, ministry leaders and anyone else who works with young people. This workshop will explore digital media trends among kids and teens, the diversity of experiences when it comes to youth and social media, how adolescents are working out their identities through "networked publics," and considerations for faith formation with a tech-connected generation.

# Curating Faith Formation

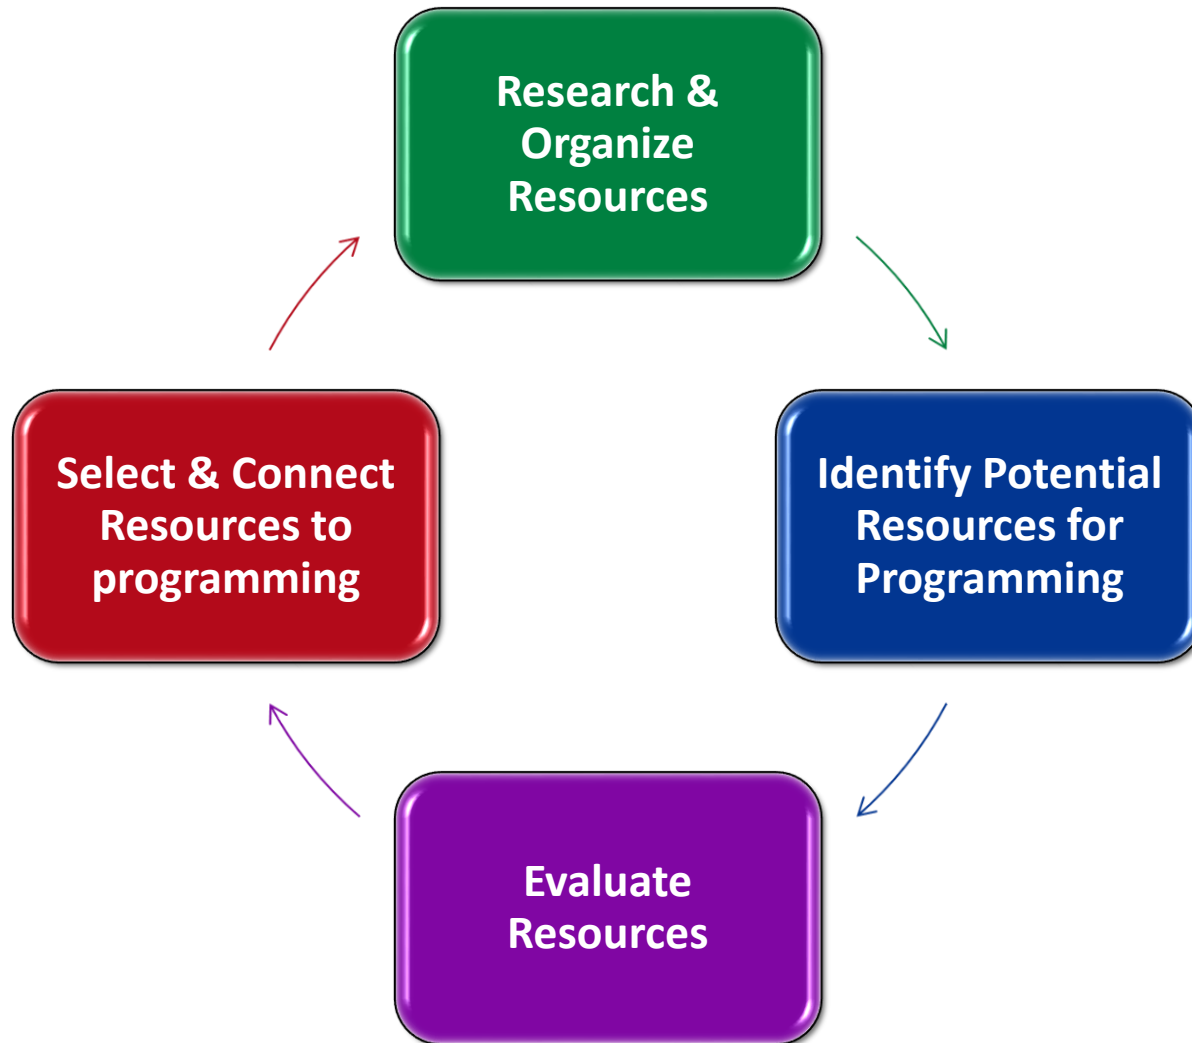

# What is Content Curation (Beth Kanter)

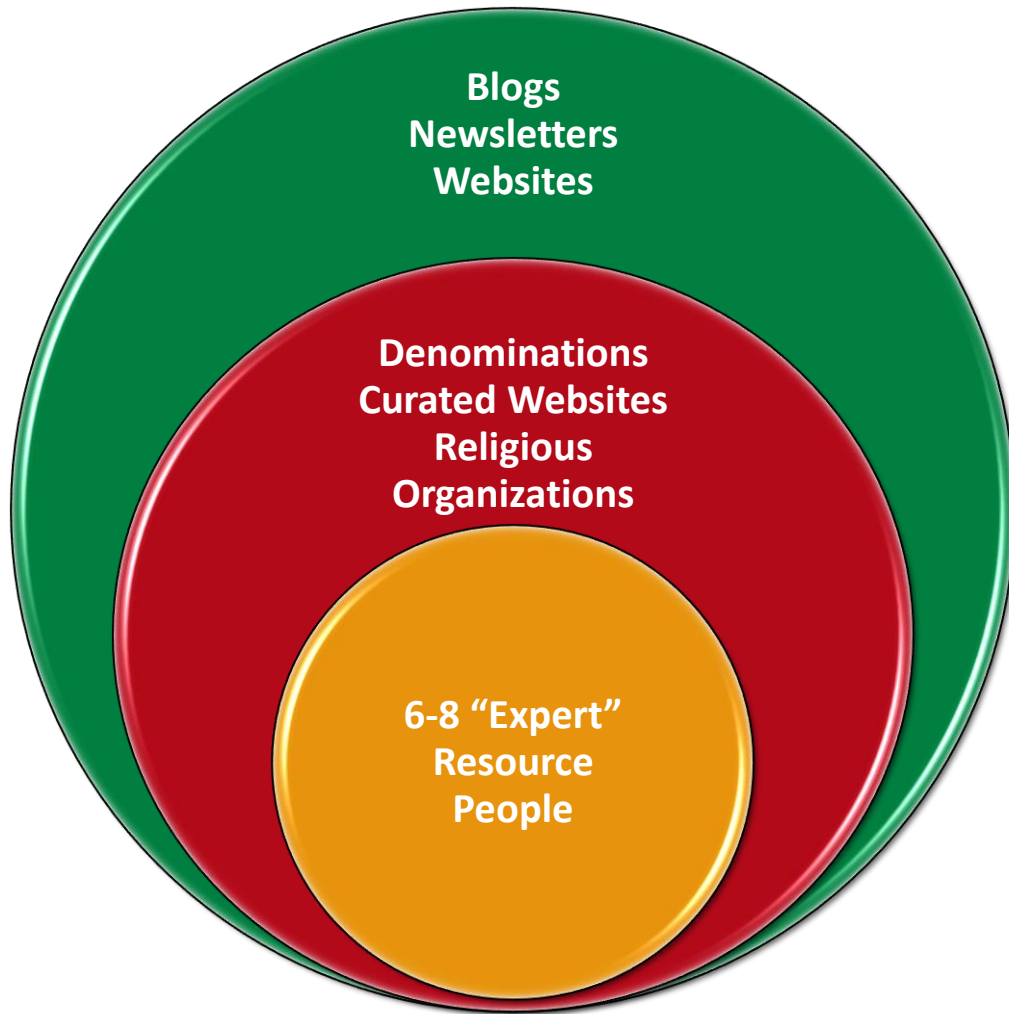

Content curation is the process of sorting through the vast amounts of content on the web and presenting it in a meaningful and organized way around a specific theme.

- The work involves sifting, sorting, arranging, and publishing information.
- A content curator picks the best content that is important and relevant to share with their community.
- It isn't unlike what a museum curator does to produce an exhibition: They identify the theme, they provide the context, they decide which paintings to hang on the wall, how they should be annotated, and how they should be displayed for the public.
