& STEWARDSHIP

# Coming Soon Lay Witness Talks

Some of the people who have been actively serving in ministry in our parish will be sharing with us how the experience has enriched their spiritual lives. Please give them a warm welcome! As you listen to their witness, we encourage you to prayerfully consider joining a parish ministry yourself.

Following their talk, we will be providing information on how you can get more involved in parish life. We hope you will consider sharing your God-given gifts with us all.

**Thank you and God bless!**
